Wasim Akram
Full Stack MERN Developer

✉ iamwasim.akram04@gmail.com   📞 +91-7274801629   🌐 *https://github.com/Wasiim12345*

Hardworking and passionate MERN stack developer with a strong foundation in web development, database management, and application deployment. Proficient in building scalable and robust web applications using MongoDB, Express.js, React and Node.js. In addition to technical skills, I possess excellent problem-solving and communication skills, and I am able to work well both independently and as part of a team. I am constantly learning and exploring new technologies, and I am always willing to take on new challenges to help my team achieve its goals.

Experience
